The snowshoe schedule will most likely change more than the summer hiking schedule, but every effort will be made to ensure that there is a trip on each of the indicated dates. If you would like to lead any of the trips, or lead a different trip, please call Darryl at 250-564-8026.

Emails will be sent out to all members early in each week confirming the upcoming trip and providing additional details for the trip. All members planning on joining a trip should reply to the email so that the trip leader can properly plan the trip and contact all participants before the trip.
