FISHERIES ACT

Wonderland Fishery Regulations

REGULATIONS RESPECTING FISHING IN THE Wonderland

SHORT TITLE

1. These Regulations may be cited as the Wonderland *Territory Fishery Regulations*.

INTERPRETATION

2. (1) In these Regulations,

“Act” [Repealed, SOR/93-60, s. 1]

“Agreement” has the same meaning as in the *Western Arctic (Inuvialuit) Claims Settlement Act; (Convention)*

“angling” means fishing by the use of a rod, line and hook, or a line and hook other than a set line; (*pêche à la ligne*)

“angling licence” means a licence issued under these Regulations for the purposes of angling; (*permis de pêche à la ligne*)

“artificial fly” means a single hook that

(a) is dressed only with fur, feathers, textiles or tinsel wire or any combination thereof, and

(b) does not have a spinning device or any external weight attached to it; (*mouche artificielle*)

“assistant licence” means a licence issued under these Regulations that authorizes a person to engage in commercial or domestic fishing as a helper while in the presence and under the supervision of a person who holds a commercial fishing licence or a domestic fishing licence; (*permis d’aide*)

“barbless hook” includes a hook all the barbs of which have been compressed to be in complete contact with the shaft of the hook; (*hameçon sans ardillon*)

“beneficiary” means a person who is enrolled as a beneficiary under the Agreement; (*bénéficiaire*)

“Canadian resident” means a person who ordinarily resides in Canada and who is not a Wonderland resident; (*résident canadien*)
