

Notes for November 10, 2011 Assembly: Cedars Christian School

Here is a preliminary outline from our meeting on Wednesday regarding the Remembrance day. Please let me know if you have any additions or subtractions but divisions I will not accept. We had discussed following the regular chapel day sched. but using the time block right before lunch so we could observe the moment of silence at 11:11. We have planned the chapel to last 50 minutes.

- music and videos are playing while students arrive

11:00- 11:02 Intro: welcome (Dave)

11:03-11:07 Can You Spare 3 min.- video

11:07-11:11 Taps and 2 minutes of silence

11:11-11:24 Student presentations

11:24-11:40 Prayer Stations

11:40-11:45 Close with a reading of in Flanders Fields and Benediction

Tasks:

Debbie- contact Bill Ragland regarding taps

Krista- stage set up

Krista, Harry, Debbie- English assignments for student presentations

Dave- prayer stations, get tiles

Krista- ask Braedon to do into powerpoint- video/music

On another note...I know we discussed having the chairs due to the formality of the event however, as I am thinking about how we may structure the time of prayer the chairs seriously constrict space and movement. My current plan is to have prayer stations set up around the foyer that follow the themes of Thanksgiving- thanking God for those willing to sacrifice for our freedom and also praying for the families who have lost loved ones, Confession- prayers of confession for our participation in activities that do not promote living at peace with our neighbours and each other and finally Peace- praying for peace in areas of the world where there is conflict. For each station there will be some kind of tactile activity so movement will be required. Anyway let me know your thoughts.
